

THE LIGHT SALON®

FACE • NECK • HANDS • HAIR • SCALP

THE SIGNATURE

ADVANCED LED + EXFOLIATING NANO-DERMABRASION + HYDRATING MASK + UPLIFTING MASSAGE

The Light Salon signature treatment using enzymes supercharged by nano-dermabrasion to refine and polish, and advanced LED to renew at a cellular level. For the face, a hydrogel mask delivers instant luminosity, with a massage to lift and sculpt. For the hair and scalp, an invigorating massage stimulates blood flow. No downtime, just radiant, event-ready skin, hair and hands, all in less than an hour.

THE COLLAGEN BOOST

ADVANCED LED + LIFTING MASSAGE

Our original and most popular on-the-go facial, combining advanced LED to renew at a cellular level, a massage to lift, and LED-optimised skincare to hydrate, smooth, and correct the complexion.

30mins / £50

THE BRIGHTENING COLLAGEN BOOST

ADVANCED LED + HYDRATING MASK + LIFTING MASSAGE

A 30-minute maintenance treatment for the time-conscious, combining advanced LED to renew at a cellular level, a hydrogel mask for instant luminosity, and massage to define and lift the complexion.

Face 30mins / £70

THE NON-INVASIVE FACE LIFT

SCULPTING MICROCURRENT + HYDRATING MASK + ADVANCED LED + LIFTING MASSAGE

Our signature face lift treatment. Sculpts and tones using cutting-edge microcurrent technology to re-educate muscles and define facial contours, advanced LED to renew skin at a cellular level, a hydrogel mask for instant luminosity, and massage to further define and lift the complexion.

Face 45mins / £105

THE SKIN RESET

ADVANCED LED + REFINING AHA PEEL + HYDRATING MASK + DETOXIFYING MASSAGE

A transformative treatment combining a bespoke lactic/salicylic acid peel to renew the epidermis with advanced LED to renew the skin at a deeper cellular level. A hydrogel mask plumps and hydrates while a lymphatic draining massage re-energises the complexion.

Face 45mins / £105

THE SKIN & HAIR SUPERCHARGER

ADVANCED LED + EXFOLIATING NANO-DERMABRASION + CALECIM GROWTH FACTORS + MICRONEEDLING + HYDRATING MASK

We've supercharged the regenerating effects of stem-cell microneedling by combining it with cell-renewing nano-dermabrasion and anti-inflammatory advanced LED, providing a highly effective, high-tech route to firmer, even-toned skin and healthy hair.

Face 60mins / £240

THE HAIR REVITALISER

ADVANCED LED

Your regular LED treatment for maintaining strong, shiny hair and a healthy scalp, using our precision red 633nm and near-infrared 830nm wavelengths to revive lacklustre hair, improve follicle metabolism and minimise hair loss.

No prep and no downtime required.

15mins / £35

+ an invigorating scalp massage, to encourage blood flow for healthy hair

20mins / £50

THE TEEN SKIN SAVIOUR

ADVANCED LED + EXTRACTION

Specifically created for younger skin, this treatment includes a deep cleanse activated by gently exfoliating enzymes, and advanced LED tailored to your skin concerns, using acne-tackling blue 415nm light or healing near-infrared 830nm and, if required, a BHA peel followed by extraction.

30mins / £30

THE ADULT ACNE SAVIOUR

ADVANCED LED + MANUAL LYMPHATIC MASSAGE

A blue 415nm light treatment for acne-prone skin that effectively eliminates bacteria, reduces oil production and prevents future breakouts. Includes a deep cleanse activated by gently exfoliating enzymes and a detoxifying manual lymphatic massage.

30 mins / £50
