IV DRIP THERAPIES REVIV, GROUND FLOOR

HYDROMAX FITNESS INFUSION 60 MINS £109

Our Hydromax IV therapy is scientifically designed to maintain hydration and normal metabolic function.

ULTRAVIV RECOVERY INFUSION 60 MINS £149

Formulated by our medical professionals, the Ultraviv offers a special blend of vitamins and nutrients, including vitamin B12 and magnesium to hydrate and support your recovery.

MEGABOOST WELLNESS INFUSION 60 MINS £209

Designed with wellness in mind, the nutrient-rich Megaboost infusion works to help support the body's needs with a blend of B vitamins, vitamin C and minerals in one drip.

MINIBOOST WELLNESS INFUSION 40 MINS £85

A small but still mighty version of the nutrient-rich Megaboost. Ideal when you're short of time.

VITAGLOW PRO-AGEING INFUSION 45 MINS £209

Rich in its ingredients, Vitaglow can help support wellness and help maintain normal skin, hair and nails.

ROYAL FLUSH DELUXE RECOVERY INFUSION 75 MINS £359

Combining the very best elements of the Ultraviv, Megaboost and Vitaglow, Royal Flush is our most comprehensive recovery infusion. Packed with vitamins, minerals and more, the Royal Flush IV drip works to support normal recovery and wellness.

NAD+ WELLNESS INFUSION 120 MINS £399 (250mg) / 240 MINS £699 (500mg)

Support your body's normal NAD levels with this IV drip therapy that's packed full of Nicotinamide Adenine Dinucleotide (NAD), the coenzyme form of niacin (vitamin B3). Available in two doses with a B12 booster shot to complement your wellness experience.

HELIIX DETOX INFUSION 75 MINS £699

Carefully designed by expert doctors and scientists, REVIV's premium IV infusion, HELIIX, delivers a curated combination of ingredients, including zinc, alpha-lipoic acid, glutathione and vitamin B12.
