## INTRODUCTION

At Harvey Nichols we love drinks; from a straightup Daiquiri, to a serious Negroni, and it must be made with passion and pride. The list below is our inspiration for the season ahead, embracing the flavours of the summer months.

There is something for everyone on the menu below, but if you can't find the perfect tippie, we are happy to make your favourite cocktail (exactly the way you like it) or suggest an 'offpiste' drink that would suit your taste buds.
